

# Melle

The shipyard cook

Melle – Through the power of food, Melle is a bountiful source of information...as even the most hardened sailor will open up after a stomach full of Melle's buttery Sea Biscuits! Melle uses their exceptional cooking ability to bring a sense of home and community to the shipyard. Many unlikely alliances have been formed in the light of Melle's hearth. Often, she is so concerned with feeding everyone else that there is little left at the end of the day for herself. She can often be found trading with passing ships, hoping to find top quality ingredients for her next epic meal.
