

# Voltairine

The anarchist welder

Voltairine – A master welder and true anarchist at heart, Voltairine gushes over the Eight Cooperative Principles whenever possible. Though their long-winded lectures can lead to earaches... there is simply no one better with a torch and solder! Voltairine is a perfectionist with a keen eye for detail and they ready to jump into action at a moment's notice. Be it a faulty beam or social unrest, they are not afraid to be the first to bring attention to a problem. They are a fierce friend who would do anything to aid those within their inner circle.
